August 30, 2018

Dear Parent(s)/Guardian(s),

This school year, all 10th and 11th grade students will be offered an opportunity to take the PSAT at Ridge High School on Saturday, October 13, 2018.

There are many benefits for students in both grade levels to take this test. By taking the PSAT in 10th grade, students will be getting a jump on the college process. The test will allow students an opportunity to assess their critical reading, mathematical reasoning, and writing skills, which are essential for a successful college career. For both sophomores and juniors, the PSAT will also give them practice for taking the SAT. The school counselors will discuss test results in December. Also for the juniors, they will find out if they are eligible to compete for the National Merit Scholarship. Once students zero in on their own strengths and weaknesses, they can work more rigorously in their regular classes to improve their skills before taking the SAT.

All 10th and 11th grade students who register for this administration of the PSAT should report to the RHS cafeteria by 7:30 a.m. on Saturday, October 13, 2018. Your child's testing room assignment will be posted on the bulletin board in the main lobby by the cafeteria a few days prior to the test date. Students must bring a photo ID and know his/her student ID code. Students must also bring their own scientific or graphing calculator and #2 pencils for the test. No calculators will be supplied. Standard testing should conclude between 11 a.m. and 11:30 a.m. (approximately a three hour test).

The registration fee for the PSAT is \$28.00 plus a one-time \$5.00 online transaction fee if you are registering one, two, or three students. Please follow the below registration instructions:

1. Go to www.bernardsboe.com
2. Click on "Payments"
3. Click where it says "Please click *here* to make online payments."
 - Step 1: Select Payment – Click on "PSAT"
 - Step 2: Enter Payment Information & Your Contact Information
 - Step 3: Enter Your Billing Information & "Agree" to the Terms & Conditions
 - Step 4: Review the Information Before Completing the Payment

This method will offer you the convenience of registering from home, in addition to providing us with immediate and accurate information on the status of our students. **The PSAT registration is open! The registration must be completed by 11:30 p.m. on Sunday, September 23, 2018. Due to the popularity of this large scale test and the preparations necessary for test day, late registrations will not be accepted, and there will be no refunds under any circumstances. This is not a mandatory test. If you have a conflict with the October 13th test date and if you still wish to take the test, it is your responsibility to arrange for an alternate testing location.**

For more precise information regarding College Board's PSAT testing policies and procedures, please refer to the PSAT booklet that will be distributed during the second week of school, to the College Board Website (<http://www.collegeboard.com/student/testing/psat/about.html>), or to the Ridge High School website under Counseling Department and then Standardized Testing Information.

Any student who has a question about the administration of the PSAT should see his/her school counselor in advance. Good luck!

Sincerely,

Scott V. Thompson

Scott V. Thompson
Assistant Principal
